MONDAY thru THURSDAY: 8am – 1pm & 3pm – 8pm
FRIDAY thru SATURDAY: 8am – 1pm

THE AMARILLO TOWN CLUB IS COMMITTED TO ENSURING THAT YOU AND YOUR CHILDREN ENJOY OUR FACILITY'S PROGRAMS. OUR GOAL IS TO PROVIDE FITNESS AND FUN IN A SAFE AND COMFORTABLE ENVIRONMENT.

POLICIES & PROCEDURES

1. All children using KidsCorner must be on an ATC membership. Once a member, any child between the ages of 6 weeks and 7 years may be checked in by a parent/guardian to the nursery for up to 1.5 hours.
2. KidsCorner staff must be provided with all materials necessary to care for the child. All belongings should be properly labeled. ATC is not responsible for lost or stolen items.
3. To prevent unwanted sharing of food and/or choking hazards, we have made the decision not to allow food or snacks in KidsCorner. Water bottles, sip cups, or "no-spill" cups are permitted if they are labeled. Parents and children are welcome to use our lobby area for snacks or meals.
4. Occasionally children experience feelings of distress when having to ask a new caregiver to go to the rest room. For this reason, we ask that you please allow your child to take care of this prior to entering KidsCorner. We ask the same for children in diapers.
5. All children must be checked-in at the Front Desk by a parent/guardian. If identification of parent/guardian is questioned, a proper I.D. will be required.
6. Parents need to be on ATC premises the entire time the child is participating in KidsCorner.
7. For the health of the other children and staff members, a child should not participate in KidsCorner if exhibiting any of the following symptoms: fever within the last 24 hours, vomiting or diarrhea, unclear runny nose, a sore throat, croup, any unexplained rash, any skin infection (ringworm, impetigo, etc.), pink eye or other eye infections, etc., symptoms of the usual childhood diseases (chicken pox, measles, mumps, etc.)
8. ATC reserves the right to deny or terminate childcare services for any reason including, but not limited to the following: overcrowding, suspected illness, behavioral issues, and unresolved stress of child.

MAXIMUM CAPACITY: 25
AGES: 6 WEEKS – 7 YEARS

FIRST COME, FIRST SERVED
